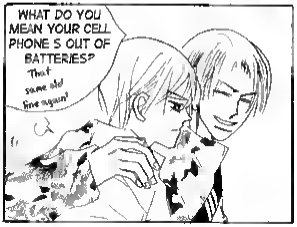
SHOCK
BRINE
Why would there be
Blood?
THIS IS UN-BELIEVABLE
COULD THIS BE WHAT'S CALLED BLOOD-LINE RELATION-SHIPS?
THIS HAS THE SAME TASTE AS YOKIKO

Fushigi Yuu - the fan subbed manga - http://www.fushigiyuu.net

YOUR BLOOD
TASTES EXACTLY LIKE YOKIKO S BLOOD
my blood tastes the same as my mother's blood?
Yokiko
?
mother?
when she took her last breath and left this world.
it was not very long after she gave birth to me six-teen years ago.
Mother died a very long time ago

AH MY PHONE SEEMS TO BE OUT OF BATTERIES
That's what it looks like...
I TRIED CALLING YOUR CELL PHONE, BUT COULDN'T REACH YOU
WHERE DID YOU GO LAST NIGHT?



Fushichou ~the fire within mongo~ #fusa@irc irchighway.net

IF YOU REALLY LIKE HER, THEN GO OUT WITH HER!
WHAT?
WHAT ARE YOU, JEALOUS?
BUT HONESTLY I REALLY DO LIKE THAT TYPE OF GIRL
NOPE, IT'S JUST THAT SHE SAID THAT SHE WILL MAKE LUNCH FOR ME HERSELF
ARE YOU CURRENTLY GOING OUT WITH HER?
Fushichou ~ the fire within manga ~
http://www.fushichou.net
Okashita-san!
ALRIGHT...
THANK YOU!
I'll bring a bento over for you later
Kyu
*Kyu: Homemade lunch wrapped in a box
Hehe!
STOP MAKING UP STUPID STUFF
BUT HONESTLY, YOU REALLY ARE...
A VERY COLD PERSON
That client!

The guy from yesterday said something very strange.
Although I fell asleep unknowingly at some point, and my memories are blurry,
he seems to have mentioned something about tasting the same or something of the sort
MITSU
DO YOU HAVE A BIRTHMARK ON YOUR NECK?
Fushuu -the Fire within me-
IT LOOKS LIKE A WOUND TO ME
Wound
That's right, last night
This is unbelievable
could this possibly be a blood-line relationship?

Fushichou - the fire within manga -
http://www.fushichou.net

Could it possibly be that I was dreaming about it all last night?
The same taste.
The same kind of blood
The same blood and the same kind of taste. What could that possibly mean?
Who could that man have possibly been?
Where was it that I first met him last night?
Why is it that my memory is so blurry ——?
I'M... RIGHT HERE

Fushichou ~the fire within manga~
#fuse@rz.rrchighway.net

ARE YOU LOOKING FOR ME,
MITSU?
IT'S YOU
LET GO OF ME!
IF YOU'RE CALLING ME BY MY NAME THEN YOU SHOULD TELL ME WHAT YOUR NAME IS, TOO..
How in the world did he know?
I'm so sure that I never told him about it
my name
could it merely be just my name that he knows
?
MY NAME?
What this man knows

Fushichou - the fire within manga -
http://www.fushichou.net/

He is a very dangerous man.
My nature is calling out to me.
I don't know why but I can almost sense it..
I can't see him again.
I really shouldn't know..
what his name is.
IS THAT SO
I WON'T BE GOING OUT AT NIGHT FOR A WHILE
You know you should probably limit what you do once in a while
DID YOU GO OUT LAST NIGHT AND WANDER AROUND AGAIN?
Fushichou ~the fire within manga~
#fuse@irc.rchighway.net

THEN WHY DON'T YOU COME OVER FOR DINNER NEXT TIME?
MY MOTHER'S FEELING TOWARDS YOU
Did you see that man just now?
Yeah I did.
THUMP
THUMP!
THUMP!
THUMP!
MITSU?
We meet again.
